DETAILED ACTION

Claim Rejections - 35 USC § 112

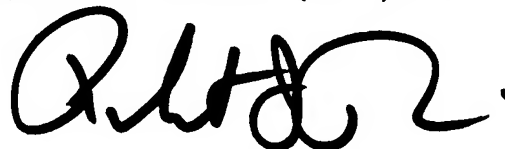

Claims 24,25 and 27-32 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim **24**, it is unclear what Applicant intends by the recitation ***“b. securing the end plates to each other at a predetermined distance apart to multiple posts.”***

Election/Restrictions

Applicant's election of **Species I** in the reply filed on **October 24, 2005** is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
